Close shave. Perfect skin comfort. Faster than ever before**

Triple action cutting system - *Three independently floating elements* adapt to facial contours, cutting both long and short hairs with every stroke.

MicroComb technology - Catches and feeds more hair into the cutting parts for outstanding performance on 3-day beards and minimising shaving rash.

SensoFoil™ - For an efficient close shave. Optimised foil cuts hair more easily. Outstandingly smooth on skin.

The Braun Series 3 3040s is specifically designed *for usage in the shower and with foam*. Thanks to its fully sealed body (IPX7 tested, up to 1m immersion), it is 100% waterproof and can also be rinsed under running water for easy cleaning.
