

VM35-2

5.0" Video Baby Monitor - Two camera pack

Two-Way Talk

Room temperature monitoring

Infrared night vision

Split-screen viewing

## Monitor what matters

Monitor your nursery with the Motorola VM35-2. Use the large, 5.0" display to get a clear view of your little one and control camera functions. Get a close-up view of your baby using the digital zoom function. Monitor the room temperature to ensure the nursery is comfortable for your baby. Speak to and hear your little one with the two-way talk feature and choose from 5 preloaded lullabies to soothe your little one and help them sleep. Stay connected throughout your home with up to 1,000ft (300m) range and never miss a peep with the high sensitivity microphone.

## GENERAL FEATURES
